## **INSIDE A BARELY LEGAL GIRL**

Hey! It's me, Lindsey. You guys, I feel rotten, It's a beautiful spring day, and I have a terrible cold. Only one thing will make me feel better. No. not chicken soup. BARELY LEGAL chickel

First I'll warm myself in Liza and Kasey's fragrant pussy fur. Oooh, soft! Next, I'll take a big dose of Mia Pearl's D cups, Ahhh! I'm feeling better already.

Still have a little tickle in my throat, though. Think I'll soothe it with Mia Love's honey-sweet coochie, Mmm. Feels good going down!

Really, the best way to battle a cold is with a positive attitude. Our two pussy-loving pairs, Tiffany and Sienna and Carolyn and Ivy, aren't worried about kissing germs at all-and now neither am II

Our hot June girls have totally lifted my spirits. Have they lifted anything of yours?;)

### PANTY CONTEST WINNER!

R.K. your letter made us hungry. We hope you enjoy Karlee's sweet undies!

#### Dear BARELY LEGAL

Karlee is my sexual fantasy come true. Just the thought of those 36DD tits, nice, round, perfect ass, and delicious-looking pussy makes me pre-come.

I would lick her from head to toe. The taste of her shaved pussy would satisfy me for hours. I would eat her ass as if it was an apple, and her tits—I would suck on them like they are a thick milkshake

But until then, I want those panties. I'm longing for the smell and the taste of her juices still on them. I would wear them to bed so my fantasy would come true in my dreams. Send me those panties so my lonely nights can end.

After picking up a copy of your fentastic publication in 2011, I have been priviry much hooked, and I just had to write in and say something, in contrast to the vast majority of 'top-shaft magaziners' (as we call them have in England). BaREU LEGAL really hits the spot for me. Every gril is amply says, sewest, and stunning, with not a fake bresser to tattoo in sight. This is perhaps the realt draw: the intoxicating combination of privilegal majority of contrast and surface manufactures.

Getting hold of the magazine can be a bit of a chore here, as it is a good few months untill each copy makes it is well as we across the Atlantic, but it sure is worth the wait. #### Hello

It has been a while since I've written regarding one of your wonderful models. Karmen Bella, Teen Queen of the Month for February 2016, certainly caught my attention, and not just because of her stunning looks. Believe it or not, this older guy finds intelligence to be the most attractive feature of any lady, young or old

When a gorgeous 19-year-old like Karmen graces your pages, it makes me a very happy BARELY LEGAL reader When she said her brain was the best/sexiest part of her body, that told me everything I needed to know about this young lady. She's very bright, and very attractive. Her eyes and smile alone are to die for Throw in her fabulous tittles, coochie, and ass. and she is a complete ten from top to bottom, inside and out.

Do you go commando yourself?

No, I think panties on a girl are sexy, especially when you give guys a little peek at them. It's like foreplay.

You tease! So, what's new in your life?
The most awesome thing: I squirted on carnera for the first time!
It's so fun finding out new sexual things your body can do.

Have you tried anal yet?

No—but I LOVE getting my ass licked.

Do you ever return the favor?

I've licked girl ass. It's almost as delicious as pussy.

Do you have a lot of sex?

Yes, it's good for you, you know. More sex equals less stress. You do seem calm. Wher's the best sex you've had recently? When I woke up the next morning with a swollen pussy and a scre rure.

Ouchl

No, awesome! I love to get face-fucked and slammed hard. So, you like when the guy is in charge.

Mostly. But sometimes it's fun when the guy just lays there and lets me do whatever I want to him.

Like what?

Like suck his cock until he comes all over my face or feet. Your feet?

Yes! Told you—I love finding out about new sexual things. I can't wait to see what's next! \*

ey yalt! My name is Jillann, I just graduated high school (thank GOD), and I am here to tell you the main lesson have learned in life.

I have a best friend, Tamara. She drives me crazy. She's only 18, like me, but she decided to be a lesbian without ever even sampling the loys a penis can bring. Tamara was exposed to the indigo Gliris at a young age by her mom, who is a total closet carpet muncher—you can tell by her gross harry pits.

In an effort to undo that damage, I always tell Tamera how orthing makes me come harder than Dary1-that's my boyfriend—howering ower my trembling body and cramming his huge, angry cock into my cockle to which Tamera says. "Oh, how powerful he must feel." Then she proceeds to tell me how hot had mewet an aroused pusy tastes, and how "making love" to another women is about gentleness and sharing, I gag, and the aroument starts all over a goan.

I got so sick of fighting I had to do something drastic. My brilliant plan was to temporanily dyke out with Tamara and teach her a 'esson, it wouldn't be that difficult for me to choke down Tamara's pussy if I had to, because all qiris have a little lez in them-you just shouldn't overdo it.

I talked Tamara into going for a hilke in the hills. We found an out-of-the-way spot, stripped, and laid out in the sun, drinking from a flask filled with my dad's Southern Comfort. I got totally light-headed right away, which made it easy for me to turn to Tamara and fib.

"Tam," I slurred, brushing a blond heir out of her flushed face, "I am so into you. I've been denying it, but I can't lie to myself anymore."

Tamara's eyes lit up, and she moved in close. I knew she had lezzie feelings for mel I braced myself for my first gey kiss.

Tamara pressed her mouth against mine. Her lips were smoother and more cushiony than Daryl's. I pulled the lower one between my teeth and sucked. It was weird, but my pussy actually got a little tingly. It made me want to touch Tamara before I carried out the main part of my old touch.

I glided my hand down to her shaved cooch and worked a finger into her hole. It was steaming. I play with my pussy practically every day, but I never noticed how hot and wet it got. Mine probably felt just as awesome to Tamara, who was am-

ming three fingers into it right now. I copied her, plus added a thumb on her clitty. She moaned when I pressed her button.

We were stretched out on the ground now, squirming in the dirt Temera sucked my tongue down her throat and slid her fingers in and out of my aushing copter I was so close to coming I almost forgot about my main reason for pretending to be

"is this what dykes do?" I gasped, accidentally squeezing her titty as I pushed her away

"Don't say dvke," she pented, "Yes, among other things," "So you like to feel something in your pussy." I pressed.

hooking my fingers up deep in her slippery hole. "Yessss," she grouned.

"Good! Get on your hands and knees!" I ordered.

homo. I broke away from Tamara's prying mouth.

Tamara whimpered, like she totally dug that I was bossing her around. Some feminist! She couldn't see as I reached into my backpack and grabbed the toy I had bought for this very special occasion. I strapped it on and nudged Tamara's pussy with the fat tip.

"Now you'll see what I've been talking about." I declared.

I rammed the entire dildo up her slick cooch. Tamara velped. But she didn't fight it. In fact, she spread her legs wider and hiked her ass in the air, like she wanted more

"Sorry eight inches isn't enough for you slut," I snarled, pretending to be Daryl. I pumped harder, cramming the fake cock into Tamera's pussy up to the fake balls. She squealed and bucked, forcing her bottom back to meet my thrusting dick, I got a raging clit boner watching her juicy pink lips slide over the plastic, leaving glossy streaks. Being a dude ruled.

I wanted to make her come. I reached under and nabbed her clitty, pinching and twisting it as I hammered at her hole. Finally she screeched and fell in a heap. I had won.

"See?" I said triumphantly.

Tamara nodded in defeat, completely wasted.

But my victory was short lived, because the next thing I knew, Daryl dumped me. And you'll never guess who he's going out with now-Tameral She swallows and does it up the butt and is basically the biggest dick fiend ever

So, the lesson I learned is-don't try to teach people lessons You only end up getting schooled \*

## the wetter

ey, it's Lindsey, You guys remember our former Teen Queen of the Month Nic! (June 2014) The last time the Czech model was here (February 2015), she answered a bunch of queetions from one of our teaders. Well, she had such a good time, she came back for more!

#### Hey, Nicil I've got some fun questions for you from reader S.C. in New Mexico. First: "Does size metter to you?"

Ooh! That's so hard to say, because if a man has a very big penis, it can hurt! But! I would never say to him. No, we can't have sex. I would do it, but I would ask him to please make me very, very wet first.

How could he do that?

#### Lick my pussy for a long time. Okay, here's another: "Have you ever been caught masturbating by anyone?"

Yes, by my brother's friend! He entered into the bathroom without knocking while I was in the shower I always was so secretly in love with him. I thought, Maybe we could have sex? But I was still a virgin, so I was afraid to tell him how I felt Old you yell at him to get out?

No, I pretended not to see him and just kept using the massager so he could watch. I came so fast!

#### This is now the perfect question: "Do you like to have sex in the shower?"

Yes, it's my favorite place, probably I still masturbate every day in the shower, too. The hot water feels so good, I can't stop from touching my pussy.

#### I have a sudden urge to take a shower myself. A cold one. LOLI I'll join you, Lindsey. But we

have to turn on the hot. .) \*
